What are Coffee Lectures?

- "Educational snippets" limited to 10 minutes
- reduced content in a short presentation

What are Coffee Lectures?

Principle of random participants:

Those who happen to be in the cafeteria of our library get some coffee and information

Lessons Learned I

A coffee lecture does not work without **coffee**

Lessons Learned II

We have recorded them in part and we put them on our YouTube Chanel

The Learning snippets are "reusable"

Lessons Learned III

**This format is not suitable for everyone:
reduced content is a challenge**

Lessons Learned IV

Without technical effort, such as beamer, screen, monitor

Lessons Learned V

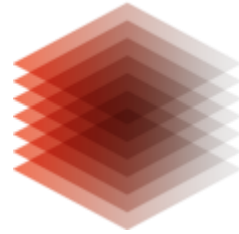

**We strictly stick to the promised 10 min
and use an egg timer for support**
